You have a voucher for a trial flying lesson - Congratulations!

I hope that you will enjoy the experience. You will be taken flying for about 30 minutes in one of our training light aircraft by a flying instructor. The Limerick Flying Club is a non-profit making organisation run by volunteers for the enjoyment of members of the club. Before you fly with us you need to become a Temporary (Day) Member for insurance purposes; to do this simply fill out the form below and return it to the club. This will allow you to take a maximum of three lessons, thereafter if you wish to continue flying with us, and we certainly hope that you will, you will need to apply for full membership.

To book a flight, either telephone or call to the club during operating hours to make a booking. Slots are for one hour, on the hour. Please indicate on the booking sheet (or explain to the person that books the slot for you on the 'phone) that it is an "Intro. Flight" and ensure that you include a telephone number in case we need to contact you. During the winter, because of limited daylight hours, flying training is restricted to weekends only. In the summer, we fly weekdays after 1800, subject to availability of instructors. Please arrive at least 20 minutes before your booking time.

Enjoy your lesson and I hope to see you at the club.

Regards

Joe Johnston

Chairman LFC
